**BASIC  
FIREFIGHTER  
TRAINING**

**An NFPA Firefighter 1  
training program to meet  
your volunteer firefighter's  
schedules and your  
department's needs.**

Washington State Patrol - Fire Training Academy  
50810 SE Grouse Ridge Rd, PO Box 1273  
North Bend, WA, 98045

## ENROLLMENT/FEES

### **Basic Firefighter Training Tuition**

Fire Department Volunteer     \$ 1,500

Out-of-State Volunteer         \$ 2,025

College Fire Science Student   \$ 2,000  
\*40 hours pre course training required.

**FOOD SERVICE**                     \$ 321

The food service program strives to provide students with balanced meals each day. Even though students are not required to purchase meals, the Fire Training Academy recommends students utilize the food service because of time constraints. Students who prepare their own meals lose valuable study and rest time. If the request is made in advance, special dietary needs can be met.

**HOUSING**                                 \$ 234

Students are housed two or three students to each room. Students are not required to stay on campus, however, it is recommended.

**PPE – Turn out gear**                 \$ 2,100

Students who choose this option are permitted to keep this clothing. Students may provide their own personal protective equipment. However, it must meet WAC 296-305-02001, Personal Protective Equipment and Protective Clothing.

This program is designed for those volunteer firefighters who wish to be trained to the NFPA Firefighter 1 level and are unable to attend the ten week recruit academy. This course covers the basic fundamentals and prepares the firefighter for the (IFSAC) International Fire Service Accreditation Congress certification exam. Successful candidates will receive IFSAC certification at the Firefighter 1 level. Firefighters will also receive certificates of completion in:

- \* Burn to Learn
- \* Search & Rescue
- \* Portable Fire Extinguishers
- \* Hazardous Materials Awareness
- \* Flammable Liquid Firefighting
- \* NIMS IS-700 and IMS-100 ICS training

**Fire departments may be eligible for financial reimbursement from the Basic Firefighter Training program through the Office of the State Fire Marshal. (360) 753-0367.**

## PREREQUISITES

It is the intent of the Fire Training Academy to comply with Washington Administrative Code 296-305-01509 (7) personnel. Individuals and/or employers must ensure the Fire Training Academy that the following prerequisites are met and that documented proof is available.

Student has:

\* Six months or more with an active volunteer fire organization *or met the college pre-course requirements\**.

\* Completed and passed a physical agility evaluation within the past year that meets CPAT (Candidate Physical Agility Test) objectives. *Individuals needing to complete a physical agility evaluation should contact the Fire Training Academy for information.*

\* High School graduate or GED equivalency.

\* Valid driver's license at time of training.

\* At least 18 years of age.

\* Passed a firefighter medical examination that meets the minimum medical standards adopted by the Association of Washington Cities and the Washington State Association of Fire Chiefs.

\* First Aid and CPR certified.

\* Current Fit test that meets WAC 296-305-04001, Respiratory Equipment Protection.
